Manners in the Tama River and Okutama Valleys

<For those planning to visit Hikawa and Hatonosu Valleys>

☞ Please use paid facilities (reservations required) for barbecues and camping.

Swimming and diving are prohibited in the Tama River!

The sandbar at Hikawa Valley is dangerous during floods and off-limits!

The entire town is a national park

☑ **Open fires and tent pitching are prohibited in some areas of the national park !**

☑ Please take your trash home with you. Leaving trash behind attracts wild animals such as bears. ✕ **Illegal dumping will result in fines and penalties !**

☞ For details on the rules for using the national park and riverbanks. • • •

The daily lives of townspeople are also in the river basin

☑ **Noise (using speakers, musical instruments, and shouting) and other nuisances are prohibited !**

☑ Please do not feed wild animals such as monkeys.
