優秀賞 2年 伊藤 桔句さん

入選 2年 井上 橙希さん

A vibrant, abstract painting of a red fire truck. The truck is rendered in bold red strokes with white accents for windows and wheels. A person wearing a green and yellow striped outfit and a grey cap stands next to the truck, holding a yellow object. The background is a mix of blue and green, suggesting a sky and trees. The style is expressive and childlike.
