## A colorful drawing of a fire truck, featuring a yellow body, red windows, blue wheels, and various firefighting equipment like ladders and hoses. The drawing is done in a simple, childlike style with thick outlines and flat colors. The fire truck is shown from a side profile, facing left. It has a yellow cab with two large red rectangular windows. On top of the cab is a blue circular light. The front of the cab has two green rectangular bumpers. The chassis is light brown. There are two large black wheels. On the back of the truck, there is a blue circular tank, a red ladder, and several red rectangular components, possibly representing hoses or other firefighting tools. The background is plain white.

A child's drawing of a red bus. The bus is outlined in red and has several black windows. There are black wheels at the bottom. On top of the bus is a rectangular sign with five 'X' marks. The drawing is done on a white background.

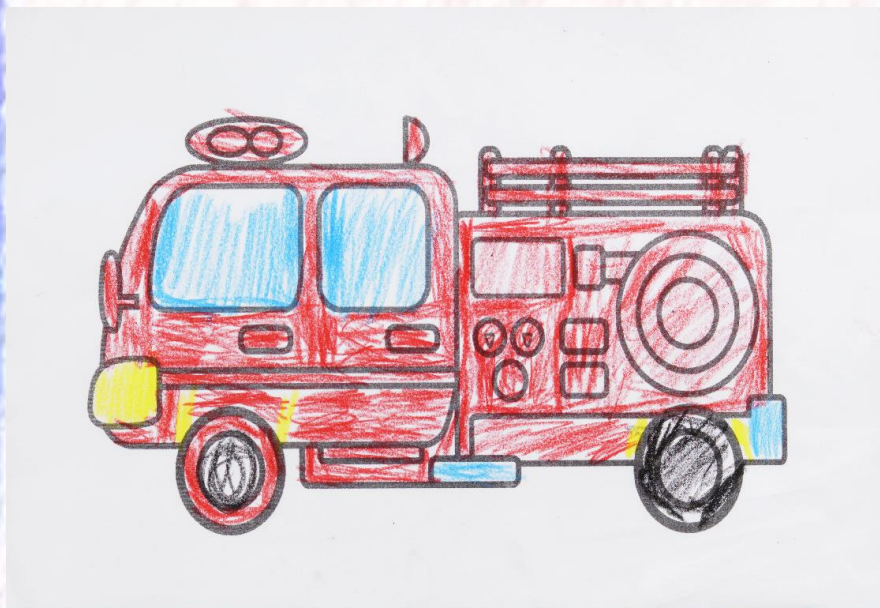

A box of ten colorful crayons. The colors from left to right are yellow, green, blue, pink, red, purple, brown, and grey. Each crayon has a Japanese label: yellow (あまいろ), green (みどり), blue (あお), pink (ひんく), red (あか), purple (むすび), brown (こげ), and grey (くろ). The box is yellow with a brown border.
