

MESSAGE FROM AKASAKA FIRE STATION

The TFD is going to hold the **Spring Fire Prevention Campaign** from March 1 to March 7, 2018.

The Fire Prevention Campaign in the US dates back to 1922, when the *Fire Prevention Week* was started. Meanwhile, Japan started the Campaign in 1930 after the US.

The Akasaka Fire Station (2-16-9, Minami-Aoyama, Minato-ku) is going to give the **Fire and Emergency Drill in the Akasaka Fire Station** from 10 a.m. to 3:00 p.m. on March 2 (Friday) during its “open house” event.

There you can try a lot!.....Fire hose water shooting, firefighting with an extinguisher, a quake simulator truck, AED life saving training, and more.

COME AND JOIN US!!
