**Autumn Fire Prevention Campaign 2017**  
Nov. 9 (Thurs.) – Nov. 15 (Wed.)

*Fire Drill! Fire Drill! Fire Drill!*

As part of Autumn Fire Prevention Campaign events, we will conduct a fire drill at the New Shinbashi Building (Shinbashi 2-16-1, Minato-ku) in front of JR Shinbashi Station from 9:30 a.m. to 10:00 a.m. on November 13 (Monday). The drill will be highlighted by the fire vehicles' water shooting after the fire fighting with the Building's private fire brigade.
